My Dear Friends,

Do we mean what we pray? We look at the Church in these islands and we have emotions swinging from the depressing to the exhilarating. We all know that what we need is God's renewing power. We pray for it earnestly because in our clear-thinking moments we know that any progress is beyond us. But as we pray for God's revitalising power we may be uttering under our breath 'but not here'. The church prays for God to do a 'new thing' in his church - but elsewhere! God's renewal is resisted and those whom God is using are accused of seeking division. If it is God's church then the division is caused by those resisting God. The majority, if you look at the Bible, is invariably wrong!

I believe that God is moving powerfully among his people today and none of us should surely want to miss out on what God is wanting to give us by just trying to preserve things as they are. The manna the Israelites ate in the desert was a gift from God for that day and there was a fresh supply for each day. This says something about God wanting us to have his fresh gifts (our daily 'bread') not yesterday's gone stale. It is worthwhile reflecting on the 'diet' we are choosing.

Sometime ago I heard of a church in the north of England which was in trouble - the building was declared unsafe and could not be used. Various historical groups said it must be repaired though they were unwilling to help. There was a danger that the parish would be divided up among its neighbouring parishes. The building took matters into its own hands - it fell down! The people worshipped in the local school but then it was burnt down causing them to move into a hut. On top of that the vicar retired and they felt very lonely. The bishop found a man who was willing to come in spite of there being nothing there, but they had to wait ten months while he recovered from a serious operation

They had no building but they remained strong. The new vicar was instituted in the hut. The church continued to grow and they decided to build a new place for worship - it was in the form of a tent to remind them that were a pilgrim people, moving on as God commanded. They grew when they had no fixed abode and they discovered that buildings could be a serious impediment to growth. The 'tent' caused them to focus on people who were, as St. Peter put it, the living stones, with Jesus the cornerstone and God the builder.

We are the people of God here, whether it be St. John's, St. Thomas' or St. Peter's. We are the living stones and we should try to think of our buildings as nothing more than tents. If we do it will help us to discover God's renewing power and the church will be a living community reaching out into our villages.

May we discover the freedom of being living stones and the joy of fresh blessings each day.

With every blessing.
Yours sincerely,

A handwritten signature in black ink, appearing to be the name 'John', written in a cursive style. To the right of the signature is a vertical line.

Special Services and Events at St Thomas', Milnthorpe

'Warm September brings the fruit – sportsmen then begin to shoot' says the verse, but John Keats in his poem Ode to Autumn, describes it as a 'Season of mists and mellow fruitfulness!'

Thanks be to God for the fruit of the earth.

Very Special Event

It seems a long time since our last newsletter, with much happening in between. Especially, we remember our two churches joining for a special service at St John's Church Levens, being the Act of Commitment when Rev. Canon John Hancock was commissioned by the Archdeacon, being the start of the three churches working together.

Songs of Praise on the Green

united us again, when members of seven Kent Estuary Churches attended, as well as Milnthorpe Methodist Church and Christ the King. A representative of each church had chosen a hymn, all accompanied by Burnside Brass Band, for which we thank its members. It was a lovely evening.

United Centenary Service

Minthorpe Methodist Church's Centenary Celebrations continued with a memorable united service for all churches, led by the Revd. W. Seville, with prayers and readings by the Revd. Brenda Willis of Kendal United Reformed Church, and our own Vicar. The solo 'In heavenly love abiding' was sung by Joy Bell.

The new session of Milnthorpe with Heversham Mothers' Union begins with an Opening Service on September 8th at St Thomas' Church. New members welcome.

Talking Parish Newsletter

The team of Boarders from Dallam School, who record our newsletter for the blind met several of its recipients as a special social evening together at Dallam School Heversham. Jane Robinson, Youth Volunteer of South Lakeland Volunteer Centre welcomed representatives of Young Cumbria Young Education, SLVS for the Blind, Dallam Boarding House, Westmorland Gazette talking Newspaper and our own Editorial Team. The eleven pupils Tom Pankovas, Joe Brazier, Victoria Loveday, Lewis Semino, Harry Trimble, Susannah Plomer, Jenny Parry, Becky Griffith, Anu Alewologun, Cameron Ward and Claudia Gresens, had previously taken a Visual Awareness Course. They were presented with their certificates by one of the blind recipients of the newsletter. The event ended with supper and time together.

Visually Impaired Group—Lakes Trip

Fifteen members accompanied by leader Marjorie Rockliff and 2 voluntary helpers enjoyed a trip to Ambleside, where they boarded the steamer to Bowness, followed by afternoon tea at the Burnside Hotel.

At a previous meeting members heard a talk 'Pension Entitlement' given by a member of the Dept of Work & Pension Ministry.

Music and Food at Croftside

'If music be the food of love, play on'
Shakespeare's Twelfth Night...

Croftside residents recently enjoyed an afternoon of music and song by Jenny of Preston. A barbecue followed, with food cooked by Manager Terry, and salads and sweets by kitchen staff.

On another occasion, residents had an afternoon trip to Grange over Sands, enjoying the sea view while eating ice cream and chocolates !!

Summer Fundraising Summer Events

Methodist Centenary Coffee Morning raised £277 towards Cancer Research & Methodist Church Renovation Fund, Brownie Summer Fair—£235; Treasure Hunt £97 towards First Responders; Primary School Fair £960; Bowling Club Coffee Morning £182; Cumbria Wildlife Fund Collection in the Square £117.

Going for gold Fun Day 20/8
 Flags of many nations and Olympic rings decorated the Athenaeum when children took part in the Fun Day put together by the Going for Gold Team from St Peter's Church. There were activities, games, a parachute game, puppets, songs & more.
 The central message to the day was 'Fix your eyes upon Jesus'.
 The finale was an Olympic Parade by the red, yellow, green & blue teams.
 The Puppets will be at the Family Service on Sunday 5th September at 9.30 am.
 When this report was phoned through for the Parish News, the children also sent by phone a great big cheer! If only it could have been taped for the Talking Parish News! Fantastic.
*Huge Thanks to the Organisers

HOLIDAY for ORPHANS in CRIMEA

No wonder Czars and Top Communists liked to go to the south coast of Crimea for holidays: it's very beautiful and, with cliffs, sea and sun, is ideal for a summer break. And that's where Mary and I went with Vic and Sue Jackopson and fifteen others this summer to give a week's holiday to twenty-four boys and girls, aged 10-16, from HOPE NOW foster homes in Ukraine. They loved it: swimming in the sea (really warm), having boat rides (especially on the banana boat!), games (exhausting), craftwork (peaceful), and exploring the hills and cliffs. One morning we left our hotel at 4.30 a.m. and were on the top of a nearby cliff to see the sun rise an hour later. An unforgettable expedition.

Most of the youngsters have suffered grimly terrible starts to their lives. For example, one girl, when only 10, was abandoned by her parents and left to fend for herself; two sisters had been orphaned and were found living in squalid conditions with a grandmother who was an alcoholic and who sent the children out to beg. It was truly wonderful to see how, now that they are part of loving Christian families, they have been able to grow, physically as well as emotionally. Not being spoilt westerners the children didn't complain about the hotel as, I'm afraid, several of us did: built as a Sanatorium by the communists it wouldn't earn even half a star by English standards! But really that didn't matter; being in such a beautiful place and surrounded by children who were so obviously enjoying a great holiday, and benefiting from it, was a delight.

THANK YOU to all who gave so generously thus making it possible.
Robin Orr

Thank You to all who kindly sponsored me

on my trip to the top of Kilimanjaro (19,500', reached on 30th July, for Tigers Club, which supports street children in Kampala, Uganda. It starts by building relationships through sport, teaches basic literacy skills and develops their education, eventually teaching them a trade and allowing independence. £150 was raised locally; worth £192 with Gift Aid. This would: feed 20 boys for 2 weeks/or pay for 7 terms at primary school/ or 4 months medical treatment (if required)/or resettle a child/or cover half the cost of setting up a business venture If anyone wants to learn more see www.tigersclub.org *Wendy Dodds*

Cruelty to children must stop. FULL STOP. The NSPCC street collection held in Milnthorpe on 30th July raised £154.30.

The Coffee Morning on 5th August raised £867.54. I would like to thank all who helped raise this marvellous amount, especially Sir Christopher and Lady Audland for allowing us to use their beautiful home and garden once again to hold the event. *Audrey Wynne*

A Question: **What do you know about** **Plumtree Hall ?**

Answer....

It is that large house in the middle of Heversham, with the attractive gardens.

It's a care home, isn't it?

Or a nursing home?

Anyway, what's the difference, these places are all either run by the council or by commercial companies for profit.

Would it surprise you to know that Plumtree Housing Association is neither funded by the local authority nor is it a profit-making concern?

The roots of the Association go back to a local benefactress, Lilian Watson, who bequeathed her residence, Plumtree Hall and a cash legacy to a "charitable housing society" That body ultimately became Plumtree Housing Association.

Miss Watson also expressed the wish that preference for residence at Plumtree should be given firstly to persons residing in the "Ecclesiastical Parish of Heversham" and secondly to residents of the "Administrative County of Westmorland". Since 1971, Plumtree Housing Association has been providing accommodation for up to 15 residents in this Grade 2 listed Georgian mansion surrounded by extensive mature gardens. The Association is a non-profit making body and carries out its work without grants or subsidies. We are not a nursing home or care home

The aim of Plumtree is to provide a friendly and safe environment which offers each resident the maximum possible choice, privacy, respect and independence. Residents have their own en-suite apartments which they are encouraged to furnish with their cherished personal possessions; they lead their own lives and come together for the main meals of the day, which are prepared by the resident housekeeper and staff.

As a Retirement Home, Plumtree Hall is unable to provide personal, medical or nursing care, but encourages residents to arrange such services from external sources if required.

Plumtree also offers respite accommodation, for example, to enable relatives to enjoy a holiday break, knowing that their elders are in a safe and friendly environment for a temporary period. Given the charitable aims of the Association, the cost of accommodation at Plumtree is kept to a minimum and is a fraction of the cost of similar commercial organisations.

Plumtree Management Committee and Visitors

At the heart of the work of the Association is the Management Committee and the resident Visitors, all volunteers. These dedicated men and women give freely of their time to ensure, not only that the Hall is maintained in the style envisaged by the late Lilian Watson, but also that the needs and welfare of our elderly residents receive all of the attention they deserve.

The Committee and Visitors represent a cross-section of the local community, containing both active and retired professional people, members of the caring professions and ordinary folk. The one common thread is that these are all people who wish to serve their community in their own way.

How you can help...

We aren't asking for your money but we would appreciate your time! We currently have a small number of vacancies on the Management Committee and Visitor rota.

If you think that you would like to be involved with Plumtree in any capacity, please ring our chairman, Gordon Batty on 63023 or our secretary, Brian Walters on 63234.
