# This month's Pastoral Letter has been written by The Reverend Ruth Crossley

## How big is your God?

Do you have a view of what God is like? My grandson recently said to me 'there is only one God isn't there Grandma? and he is bigger than anything!'

We all too often bring God down to our size, we try to contain God in the world we understand, and in effect make God our comfort blanket.

I wouldn't want to suggest that God is not always there for us, and that God doesn't give us guidelines on how to live but if that is all God is to us then our God is too small.

The Hitch Hikers Guide to the Galaxy and The Calling of a Cuckoo, by David Jenkins, (onetime Bishop of Durham) are two books I read recently. They both, in their own way try to answer these questions:

*'what does it mean to be human?' and 'what is the meaning of life?'*

One uses comical yet truth-seeking stories and among other ideas and answers comes up with the meaning of life as being 42, (*if you haven't read the book then you will need to, to understand this*).

David Jenkins speaks of the meaning of life and the mystery of being human as having something to do with God and his love for the world and its people. God's love, something which is almost incomprehensible, transforming love, life giving love, this is the mystery that is God.

This is God's love. So immense, and made evident among us now in the power of the Holy Spirit, which works in us, through us and around us, transforming lives and communities.

Some of you may remember a chorus which talks of God's love:

*So high, you can't get over it, so wide you can't get round it*

*So deep you can't get under it, oh wonderful love.*

God is big enough to cope with our doubts, our insecurities, our worries; God is big enough to love each one of us and he asks each of us to love him, love ourselves and love our neighbours. How big is your God?

# **Saint Thomas' Church, Milnthorpe** **Special Services, Events and News**

**September** brings the ripened corn, then the harvest home is borne – yes, and from this, we do receive our daily bread..... thanks be to God!

It's harvest time again, and we look forward to our Thanksgiving Service.

Do you remember the once popular hymn –“fair waved the golden corn, in Canaan's pleasant land, when full of joy, some shining morn, went forth the leaper band”? At this time may we remember those who suffer, and have so little in other countries.

During the lovely summer days we have enjoyed many events together, especially the Songs of Praise evening on the Green with Flookburgh Brass Band; the Family Service with Baptism; and the Joint Service of Holy Communion at St Peter's – all under the leadership of our Reverend Sue.

**Glyn Hopkins, our organist/choirmaster** at St Thomas' for the past 15 years, has officially retired. Following a service of Holy Communion, he was presented with a gift, along with many, many thanks from us all for his music on the organ, piano and for his work with the choir; we are very grateful the many concerts he organised over the years, along with his wife Lillie.

Thank You, Glyn. (we hope you might “step in” occasionally?)

## **The new session of Milnthorpe-with-Heversham Mothers' Union**

commences on September 13<sup>th</sup> 2 pm at St Thomas' Church. Three new members Jane Clarke, Gillian Mumby and Jacqueline Slade were enrolled at our previous meeting, and service held at St Peters' Church, led by Revd Sue. A lovely Jacobs' Join tea followed. More new members would be welcome. *M.D.*

## **Milnthorpe St Thomas's Tower**

As everybody will by now doubtless be aware, there is a problem with the tower at St Thomas's. Early in July we noticed that a crack had appeared in the north-west corner of the tower, extending into the top of the north-west buttress. We quickly got our architect, Paul Grout, and a structural engineer to examine the tower, and it was agreed that a more detailed survey would be needed to establish the cause of the crack and the general state of the tower structure. That detailed survey is due to be completed in mid-August.

Meanwhile it has been decided that the area around the north-west corner of the tower must remain cordoned off, that the bells must not be rung, and that the clock chiming mechanism cannot be used since the heavy weight that drives it is suspended from a beam in the north-west corner of the tower. The clock is still going, and the hour striking mechanism is still functioning, since the weights that drive these are much smaller and are located at the other side of the tower.

We hope that the detailed survey of the tower will not reveal any drastic problems, and that the crack can be quickly repaired. But we must await the recommendations of the architect's report

### Youth cell group

Every Tuesday evening for the last 15 months, a group of younger people (late teens upwards) have been meeting together at Fairmead in Heversham village.

We have watched Christian videos and study courses on DVDs such as 'The Purpose Driven Life' and 'If you want to walk on water, you have to get out of the boat'. Also we shared meals together, met at the Brewery and Weatherspoons in Kendal as well as enjoying lively Christian music.

The young people arranged 2 youth services; a Christmas one at St Peters entitled 'Thank God for Christmas' ; and a spring one at St Thomas' entitled 'Revolution- real or religion'; both of which were well attended.

Numbers are now downing as some members have moved on, whilst others are preparing to go away to university. For any information regarding the group please telephone 015395 62055.

## St Peter's Churchyard

St Peter's PCC has been increasingly concerned about the safety of some of the gravestones in the Churchyard. We have now had a survey undertaken and 62 need work on them. We have commissioned this work at a cost of around £2,500 because we think we need to take action now. However we know that there are local families for whom the Churchyard has special significance and that indeed many local residents may value it and want to support us in maintaining it safely for the future. Donations towards the cost of what is actually likely to be an ongoing programme of repair will be gratefully received and should be forwarded to Sue Wilson, Mike Robinson or one of the Churchwardens.

*Peter Clarke - Secretary to PCC*

### note for walkers:

People walking their dogs are asked to please keep to the paths and not take shortcuts through the graveyard - namely the track that now looks like a path but isn't really - the one has been created by people walking straight on from the wrought iron gate near to the Old School. There is a sign there but everyone steps over it !!!! A better (and safer) way to go is a track over the grass adjacent to the north wall of the church, or to walk right round on the paved path. Thank you.

### Ellel Ministries

Ten members of the Heversham Church Prayer Ministry Team/WOW support group went to the Free Taster Event at Ellel Grange, Lancaster, in July. We received, as always, a very warm welcome.

The day gave us a marvellous opportunity to sample the teaching content of some of the short courses on offer throughout the year. We considered together, for example, God's heart of love for all, the importance of forgiveness and some of the root causes of feelings of rejection, depression and emotional pain.

The centre offers support and resources to the churches in their teaching, discipling and healing ministries.

In addition to courses and healing retreats, books, tapes and computer based learning programmes are available. Further information can be obtained at church.

"Children from JOEYS Nursery at Milnthorpe visited the allotments on Haverflatts Lane again. They went in April to plant peas and potatoes, marking their own potato with a named stick. They returned at the end of the summer term to dig up their own potato and to pick peas, and also have a good look around the whole site at all the vegetables and fruits growing. This is the third year of this growing project. JOEYS will be putting up a display of photos at the Allotment Association Horticultural Show of their ongoing visits to the allotments."

## **Milnthorpe and Heversham Community First Responders**

### **Annual Report June 2006**

(the third Annual Report for the Milnthorpe and Heversham CFR team which was established by volunteers in May 2003) is available. There are some copies at Milnthorpe Library for people to pick up.

## **Changes to the Law**

As of September 2006 changes in car seat laws are coming into force. There are major changes for children aged 3-12 years old and under 135 cm, plus other changes. Visit the following website and search for campaigns and child car seats:

Despite showery weather, The Party in the Pasture, Hincaster attracted record crowds and raised £500 to be shared between St Mary's and

St John's Hospices.

Afternoon entertainment included a rounders match, children's activities, treasure hunt, pony rides and cream teas all arranged by the villagers.

After a pie & pea supper, local band "The Beaten Tracks" played a fantastic set and had everyone dancing, enjoying the festival atmosphere.

## **Levens Weather during 2006 so far**

As in the rest of the country, July was the hottest month ever recorded here. Although we were away for seven days early in the month, the average maximum day temperature for the rest of the month was 29.6° C (86° F) and the highest recorded day temperature 37° C (98° F). Rainfall so far has been moderate, 194mm (7½ inches) in March the highest, and 49mm (nearly 2 inches) in July the lowest. There is an old North Country saying 'ne'er cast a clout till May is out'.

I failed to follow that, only to have to put the clout on again during a cool spell in early June! My wife wonders whether 'May' means the month or the tree-flower. Does anyone know?

## At an Open Day, held at Croftside,

residents, relatives and friends were entertained by Danny Kiely, singing Guitarist, with a programme of music and songs. A delicious buffet meal followed, prepared and served by staff of Croftside

## Seventeen Milnthorpe Brownies,

accompanied by their leaders and helpers went on Brownie holiday staying at Park House, a guiding holiday house at Hawkshead. During their 3 day stay, they visited Brockhole, the world of Beatrix Potter, Bowness, with a sail on the lake, and organised their annual barbecue, held on the shore. *M.D.*

## Levens WI

Despite the heavy rain and the counter attraction of the World Cup (to some!) 24 people attended the **June** meeting and enjoyed a fascinating talk and demonstration by Mrs Pat Hayward entitled 'What use would a microwave be to me?' To what could have been a dry subject she brought a delightful sense of humour, and held us enthralled as she went through all the many uses, some of which had never occurred to us, for which a microwave can be employed. Our delegate to the A.G.M. in Cardiff, Vera Brown, also gave a lively and amusing account of her attendance at this event.

Our annual outing was to the Wensleydale Cheese Visitor Centre in Hawes, where we learnt about the history and procedure of cheesemaking, enjoyed a lunch of jacket potatoes with salad and various cheese fillings, and had the chance to make purchases in the gift shop and at the local market. *Sally Beaumont*

At the **July** meeting, Mr David Oates spoke on the National Legal Services, a grouping which concentrates on wills and associated products. Their practical approach includes home visits, a set rate

of fees "per job" and the experience of handling, as an organisation, some 900 wills per week. Mr Oates was clear and cogent on the desirability of making a will (some 70% of people do not), and of keeping it up-to-date as family and economic circumstances change. *J.B.*

At the Heversham W.I. July meeting, members were treated to a wonderful display of photographs of the wildlife at Leighton Moss RSPB centre. The result of many years of patient work by Mr. David Mower produced a sight of many birds that one would be unlikely to have on normal visits to the reserve and his photographic expertise gave beautiful pictures. Together with his talk about these unique wetlands and the conservation the RSPB is undertaking, it was a most informative and interesting evening.

With no formal meeting arranged for August, on the 23<sup>rd</sup> members and their families will be enjoying a Treasure Trail followed by a meal at an unknown destination for those who successfully complete the clues and on the 15<sup>th</sup>, taking part in a Bowls evening at the Heversham Bowling Club for the Shirley Askew Trophy.

Our September meeting on Wednesday September 13<sup>th</sup> at 7.30 pm in the Athenaeum will be open to anyone who would like to hear a talk by Mr. Trevor Hughes on 'Old Kendal'.

*Joan Anderton*

Sixteen members and carers of the Visually Impaired Group travelled on a beautiful day, to Lowick Green, where they enjoyed lunch at the Farmers Arms. They later visited Coniston, sailing the lake on the Gondola, and had a lovely day together. *Mary Davidson*
